

Samrawit Dawit

Software engineering student(3rd year)

Arat Kilo

Addis Ababa, Ethiopia

(+251) 984-91-34-83

samrikdawit@gmail.com

Date of birth: July 4-2003

Academic affiliation: Addis Ababa University

Leetcode <https://leetcode.com/SamrawitDawit/>

Hackerrank: https://www.hackerrank.com/samrikdawit?hr_r=1

Codeforces: <https://codeforces.com/profile/SamrawitDawit>

Github: <https://github.com/SamrawitDawit>

EXPERIENCE

UI/UX design internship

28/07/2023 – 5/10/2023

at RDX Delta Rabbit(Designing “Nostock” ERP)

Tutoring

21/12/2021 – 20/02/2022

at Bethel Mekane yesus school

Gave tutor of high school Math, Physics and Chemistry

EDUCATION

Addis Ababa Institute of Technology(AAiT), 5 kilo- BA in Software engineering

May 2022 – present

Expected to graduate in 2027

3.72 CGPA

Favorite fields of study: Data structure and Algorithm(problem solving),

Software development

Extracurricular activities:

Have served as a class representative.

PROJECTS

Tic Tac Toe – Java Swing project

Github link:

<https://github.com/SamrawitDawit/Java-swing-games/blob/main/tic-tac-toe.java>

Home page of apple.com – Html, css and bootstrap

Chase the star- scratch project:

This project is a game that requires the user to make the duck chase the star which changes its position randomly every 3 seconds. Every time the duck catches the star, the score will increase by one. If the user can score 10 points before 40 seconds, he/she will win. The user can replay the game by clicking the replay button. The speed of the timer will increase in the next levels and the star clones itself twice in a certain time interval. This way, the user can play the game. As always, the game begins when the flag button is clicked.

Link to the project: <https://scratch.mit.edu/projects/747853109/>

SKILLS

Programming languages: Python, Java, Javascript
Swing

Data Structure and Algorithm

Object Oriented Programming

Frontend: HTML, CSS, Bootstrap

Designing tool: Figma

git

scratch

Communication, leadership and time management skills

AWARDS

Cisco Certificate of Networking Essentials course completion

Cisco certificate of packet tracer course completion

CS50 Certificate for completion of Introduction to Programming with Scratch, including nine projects- Awarded from Cambridge, Massachusetts, in the year 2022

Coursera Certificate for successful completion of Programming for Everybody(Getting started with python) Oct 13 – 2022

LANGUAGES

Amharic(Native)English(Intermediate)

Extracurricular:

Volunteering at Abrihot Library

Tasks: arranging books, Shelving books

Project Ignatius — Religious project that works on children member

Hosts kids events, teaches teenagers during summers.
